## About the project

- The main objective of this project is finding the treasure that is in different locations.
- For that you will need to go the main page and click on the 1<sup>st</sup> color (i.e. , left hand side) to get the location of the treasure as shown below.

Treasure ready: Horizons

Reset

# Clue Keeper

Treasure ready: Horizons

Device Coordinates:

Latitude: 35.8416384

Longitude: -78.8463616

You haven't reached the  
quest

Reset

- Then start walking through that location and when you click on the 2<sup>nd</sup> color(i.e. , right hand side) to get the current coordinates of the location and it tells whether you are near to the treasure location or not.
- If not reached you will get a speech that “You have not reached the quest.”
- If you have reached the quest, you will get a speech saying “Congratulations!! You have reached the quest.”

- Also, you can get the locations list from the navbar as shown.
